Τ	U. SIPPEL
2	New York City because it was showing a
3	weapon essentially, and then when he took
4	it from him, after he asked him what did he
5	have it for, what was he using it for, that
6	he didn't know if he was using it to hold
7	someone up in the station or not. Joe
8	explained that it was for box cutting and
9	essentially we were opening a market in a
10	restaurant and opening boxes all day long
11	and he had that pocket knife for many years
12	as a work knife in the kitchen and whatnot,
13	and that is when the officer went on to
14	explain about a gravity knife, how it could
15	flip open and that
16	Q. For the record, can you
17	describe the motion that you just made with
18	your right wrist?
19	A. Like this (indicating). He
20	said it has to be if you can get it to
21	open like it is a free like that is what
22	a gravity knife is, you use the gravity by
23	flicking your wrist to get it to open.
24	Q. For the record, you were
25	flicking your wrist in a downward motion

- J. SIPPEL 1 away from your body? 2 Yes. He was doing this 3 Α. (indicating). 4 So the officer explained to you 5 that if a knife opened in that manner, then 6 it would be a gravity knife and it would be 7 illegal under New York law; correct? 8 To my understanding, to my 9 10 remembrance, yes. Then you testified that the 11 Q. officer had trouble doing the motion that 12 he described to you; correct? 13 It was kind of like he Yes. 14 was explaining what it was. It was not 15 working for him. It took multiple tries to 16 actually get the knife to open. It did 17 eventually open. 18
- When you say "multiple tries," 19 0.
- do you mean multiple flicks of the 20
- officer's wrist? 21
- 22 Α. Yes.
- How many attempts did it take 23
- 24 to open the knife?
- I would say at least four, if 25

2	not more. That is what made it kind of why
3	Joe was kind of not arguing, but inquiring
4	like what you are saying you can't even do
5	and then it happened.
6	Q. So going back to your
7	understanding of the nature of the lawsuit,
8	you mentioned that you understand Mr.
9	Cracco's claims to be based on the fact
10	that the knife was not a gravity knife?
11	A. Or that he was wrongfully
12	arrested for a gravity knife when it
13	technically isn't.
14	Q. Are there any other issues that
15	you understand this lawsuit to address,
16	besides whether or not Mr. Cracco was
17	falsely arrested?
18	A. No, because that is the only
19	thing I was under the impression of him
20	being arrested for, was for carrying a
21	gravity knife in New York City.
22	Q. Are you aware that the District
23	Attorney is also a Defendant in this
24	lawsuit?
25	A. No, not until you told me that.
